PROTEIN PAK:

A new organic, plant based, high protein food source.

Protein Pak is a new, super-healthy and organic protein food product that augments your nutritional diet that can also serve as a daily meal replacement. High quality organic plant based protein from hemp seeds, spirulina and flax make up a magic combination for nutritional value and daily protein requirements to help you feel good, be alert and stay satisfied all day long.

NO lectins, gluten, dairy, wheat, nuts, eggs, soy, salt, sugar added. Vegetarian-Vegan friendly.

MENU ITEMS:

Regular Protein Pak (RegPak): A special biscuit mix made with organic ingredients, including hemp seed protein powder, spirulina and flax. Protein Paks are made with non-lectin plant protein, ginger, coconut milk and flour, water, mix and ginkgo balboa. This product offers a unique and satisfying protein infusion for the body. Great for meal supplement or meal replacement. Ordering options are (as per photo to left): RegPak biscuit singles (\$1.00) and by the dozen (\$12.00) + S&H or delivery fees.

Cookie Snaps: Cookies made with the same basic protein ingredients as the Regular Pak but with more coconut flower and a pokey ginger snap taste. These yummy and healthy snacks are smaller than the Reg Paks and great for snacking between meals. Order options are (as per photo to left): two cookies (\$1.00) or twenty cookies (\$12.00) + S&H or delivery fees.

Coconut Crown: This colorful biscuit is a Regular Pak with fresh organic raw coconut baked into the center of the Pak. It is a colorful and delicious treat for meals and dessert trays. This can be a fun and satisfying combination for the entire family. Ordering options (like photo to left) Coconut Crown biscuit singles (\$1.00) and by the dozen (\$12.00) + S&H or delivery fees.

Plain Jaynz: A powerful protein crumble with the same organic ingredients as the RegPak without aesthetic or flavor, making this Pak super healthy and void of anything but pure organic protein ingredients. If taste is not a priority, this bland protein crumble is awesome for smoothies, vegetarian and vegan dishes, salads, pizzas, sauces, cooking or simply adding to dishes. Ordering options (as per photo to left): Plain Jaynz Crumbles by the dozen (\$12.00) + S&H or delivery fees.
